(please note that if you have not signed either then your dog will not be walked off lead at all for the duration of their stay with Angela Blencowe).

Attention: Your dog will have a wonderful experience during their stay with us, lots of exercise, playing in sand pits and paddling pools (if they wish too) they will be interacting with people of all ages, dogs and at times may be close to livestock (sheep, cattle, and horses etc.) For this reason you must ensure that your dog is social with adults, children and with other dogs and animals. If you have any worries then please tell me before your dogs holiday date. If your dog has never stayed with us you and your dog will be invited to a visit a couple of times before your holiday due date. This is not just for you and your dog, but it will give me a chance to introduce myself and if possible you will meet my husband and children as well.
